

## The Pinnacle Of Knowledge.

*Intertech's instructors are thought leaders at the pinnacle of knowledge in their field, each linked with a network of experienced Intertech software development consultants who gain valuable "field experience" every day. This combination of knowledge and experience has resulted in one indisputable marketplace reality: Intertech develops and delivers the highest-quality, most relevant training curriculum available.*

For more than 17 years, Intertech has advanced the world's top software development teams through practical, instructor led training. We thank you.

- *Simplified Payment and Enrollment Process*
- *Reduced Rate on Beta Courses*
- *Advance Invitations*
- *Preferential Placement*
- *Elite Rewards Newsletter*
- *An Elite Rewards Recognition Plaque*

Plus ... a partnership with the most respected training company in America.

# Intertech's **ELITE REWARDS** program provides dedicated customers with industry leading value, recognition, and organizational results!

## Program Benefits:

### Special Price Voucher Bundles

Intertech Elite Rewards customers save up to 35 percent on courses, making it possible to pre-budget training expenses internally, and lock into fixed pricing for the year. Vouchers can be used for public enrollments or dedicated on-site events.

### Simplified Payment and Enrollment Process

Because a single purchase order receives a set of training vouchers that can be used throughout the year, the approval and payment process is streamlined. Each month, Elite Rewards customers receive a statement that summarizes monthly and year-to-date activity.

### Reduced Rate on Beta Courses

When a new course is developed, Elite Rewards customers receive a discount on the first offering of the course. As part of this program, Elite Rewards customers drive changes to the course before it is finalized through detailed Beta course feedback.

### Advance Invitations

Intertech's Oxygen Blast™ events have become the new standard for free informative seminars and regularly fill to capacity. As an Elite Rewards member, registration is ensured prior to the general public.

### Preferential Placement

If you need to add students to a full class, similar to a full plane, others will be given an incentive to be "bumped" to create slots for your students. If a slot cannot be opened, you'll have input on the date of the next class offering.

### Elite Rewards Newsletter

This newsletter has announcements of upcoming Elite Rewards only offers for beta courses and other special events.

### An Elite Rewards Recognition Plaque

As an Intertech Elite Rewards customer, you position yourself and your department as thought leaders to employees and upper management. This leadership is recognized with an Intertech Elite Rewards plaque.

And the most valuable benefit of all

Partnering with the most respected training company in America.
